

January 3, 4, 5 & 6

FOR THIS AREA: Beginning on Wade Avenue and moving toward Glenwood Avenue.

Trucks will be in the shaded area indicated on the map on January 3, 4, 5 & 6. This schedule may be changed due to weather or the amount of leaves. Contact the Leaf Line at **890-3720 for a daily update** about leaf collection, consult Cable Channel 22 for the current schedule, or visit our web page at **www.raleighnc.gov/leaf**. Residents in this area should rake their leaves

into piles at the curb, NOT in the street and off sidewalks and meter boxes.

Bagged leaves and other yard waste also will continue to be collected curbside in CLEAR plastic bags .

If you have received your new rollout cart, put your yardwaste out on your scheduled collection day. If haven't received your cart, yardwaste will be collected on Wednesday.

Look for this ad every Friday through January. The City of Raleigh appreciates your cooperation in helping make our leaf collection program a success.
